Subject: RE: July 2017 Monthly Progress Report

Mr. Ruopp,

The EPA has reviewed the July 2017 Monthly Progress Report for the Techalloy facility in Union, Illinois. I have just a couple of comments.

1. In the Title of Table 1, add the names of the wells that were used for the information in the data table.
2. Extraction rates continue to decline at EW-1/2. What is the status of plans to investigate and remedy this problem?

A reply is due in 30-days. If you have any questions, please contact me.

Respectfully,
